'I/A' ITEM NOTE

From:	General Secretariat of the Council
To:	Permanent Representatives Committee (Part 2) / Council
No. prev. doc.:	6200/16 COR 1
Subject:	Draft Council Implementing Decision setting out a Recommendation on addressing the deficiencies identified in the 2015 evaluation of the application of the Schengen acquis in the field of the Schengen Information System by Belgium

1. Following the Council's adoption, on 29 February 2016 (3451st meeting), of the Council Implementing Decision setting out a Recommendation on addressing the deficiencies identified in the 2015 evaluation of the application of the Schengen acquis in the field of the Schengen Information System by Belgium (doc. 6200/16), it appeared that a technical error had occurred in the numbering of the recommendations.
2. This error implied that six recommendations had been reproduced twice (in two slightly different versions: nos. 11, 15, 18, 21, 24 and 27) and seven had not been reproduced at all (nos. 9, 14, 17, 19, 23, 25 and 30). It was therefore necessary to issue a corrigendum; the corrected version, including the complete, consolidated text, can be found in doc. 6200/16 COR 1.
3. The Working Party for Schengen Matters (Evaluation), including the Mixed Committee partners Norway, Iceland, Switzerland and Liechtenstein, approved the text of the corrigendum to the Implementing Decision, set out in doc. 6200/16 COR 1, on 25 May 2016.

4. The Permanent Representatives Committee is therefore asked to recommend that the Council:

- adopt the corrigendum to the Implementing Decision set out in doc. 6200/16 COR 1;
- take note that the Implementing Decision, as set out in doc. 6200/16 COR 1, on this basis will be forwarded to the European Parliament and national Parliaments in line with Article 15(3) of Council Regulation (EU) No 1053/2013 of 7 October 2013.
