- *Decision not to oppose the adoption (regulatory procedure with scrutiny)*

1. On 4 May 2016, the Commission submitted for scrutiny by the European Parliament and the Council a draft COMMISSION REGULATION (EU) .../... of XXX amending certain Annexes to Regulation (EC) No 999/2001 of the European Parliament and of the Council laying down rules for the prevention, control and eradication of certain transmissible spongiform encephalopathies.
2. The Working Group of Agricultural Counsellors/Attachés considered through an informal written procedure that there are no grounds for the Council to oppose the adoption of the draft Commission Regulation.

3. The Permanent Representatives Committee is therefore invited:

- to confirm the agreement reached by the Working Group, and
 - to recommend to the Council to confirm, as an "A" item on its agenda, that there are no grounds for opposing the draft measures.
