Proposal for a

**COUNCIL IMPLEMENTING REGULATION**

**replacing the lists of insolvency proceedings, winding-up proceedings and liquidators in  
Annexes A, B and C to Regulation (EC) No 1346/2000 on insolvency proceedings**

## EXPLANATORY MEMORANDUM

### 1. CONTEXT OF THE PROPOSAL

- **Reasons for and objectives of the proposal**

Annex A to Council Regulation (EC) No 1346/2000 (hereafter "the Regulation") lists the insolvency proceedings referred to in Article 2(a) of the Regulation. Annex B lists the winding-up proceedings referred to in Article 2(c). Annex C lists the liquidators referred to in Article 2(b).

The annexes to Council Regulation (EC) No 1346/2000 were amended lastly by Council Implementing Regulation (EU) No 663/2014 of 5 June 2014.

In December 2015 Poland notified the Commission on a substantial reform of its domestic law on restructuring, taking effect as of 1 January 2016, and requested to change the lists set out in Annexes A, B and C to the Regulation accordingly. According to Article 1(1) and Article 2(a) of the Regulation, as confirmed by the interpretation by the Court of Justice of the European Union, national proceedings qualify as "insolvency proceedings" in the context of the Regulation only if they are listed in Annex A thereto.<sup>1</sup> National proceedings, therefore, which have not been expressly included in Annex A, are not affected by the Regulation.

The Commission has carefully analysed the request of Poland in order to ensure compliance of the notification with the requirements of the Regulation.

Regulation (EC) No 1346/2000 should therefore be amended accordingly.

- **Consistency with existing policy provisions in the policy area**

The Regulation is an important instrument of civil judicial cooperation at EU level. The efficient treatment of cross-border insolvencies of debtors with their centre of main interests in a Member State requires that the scope of the Regulation reflects the actual state of play of domestic insolvency laws.

The Regulation has been repealed by Regulation (EU) 2015/848 of the European Parliament and of the Council of 20 May 2015 on insolvency proceedings (recast). Nevertheless, this latter Regulation will apply only from 26 June 2017; in addition, the Regulation will continue to play a role even afterwards since Article 84 of the recast Regulation provides that "Regulation (EC) No 1346/2000 shall continue to apply to insolvency proceedings which fall within the scope of that Regulation and which have been opened before 26 June 2017".

- **Consistency with other Union policies**

The Regulation has an important supportive role to the freedom of establishment and to the free movement of persons.

## **2. LEGAL BASIS, SUBSIDIARITY AND PROPORTIONALITY**

- **Legal basis**

The proposal is based on Article 45 of Regulation (EC) No 1346/2000.

- **Subsidiarity (for non-exclusive competence)**

The proposal comes in the exclusive competence of the European Union. The subsidiarity principle therefore does not apply.

- **Proportionality**

The proposal complies with the proportionality principle for the following reasons:

The Commission Proposal replaces the lists for Poland in Annexes A, B and C to Council Regulation (EC) No 1346/2000 with new lists taking into account the information notified by that Member State. The lists cannot be amended in any other way.

The Regulation is directly applicable in the Member States and it does not require any implementation measures. It is published in the Official Journal of the European Union, therefore its contents are accessible to all interested parties.

- **Choice of the instrument**

The proposed instrument is a regulation.

Other means would not be adequate for the following reasons:

By virtue of Article 45 of Council Regulation (EC) No 1346/2000, the Annexes to the Regulation can only be amended by the Council on the initiative of Member States or on a proposal by the Commission.

Poland notified the Commission of further amendments to the lists set out in the Annexes. Accordingly, the Commission is proposing to the Council amendments to the Annexes to the Regulation.

## **3. RESULTS OF EX-POST EVALUATIONS, STAKEHOLDER CONSULTATIONS AND IMPACT ASSESSMENTS**

The envisaged amendments are of a purely technical nature. They contain no substantive change to the Regulation itself. Therefore, the proposed measure constitutes an official codification of a legislative text in the meaning of the Interinstitutional Agreement of 20 December 1994.<sup>2</sup> For such initiatives, in line with the Better Regulation Guidelines of the European Commission, no impact assessment is required.

Furthermore, pursuant to Article 45 of the Regulation, after the request of Poland to initiate the necessary legislative procedure, no choice remained available to the Commission, but to comply with this request, insofar as it fulfils the requirements set out in the Regulation. The preparatory work for the adoption of this proposal did not require any new expertise.
