Formula to calculate the contribution

1. The financial contribution of Norway to the revenue of the Support Office defined in Article 33(3)(d) of the Regulation shall be calculated in the following way:

The most updated final figures of the Gross Domestic Product (GDP) of Norway available on 31 March of each year shall be divided by the sum of the GDP figures of all the States participating in the Support Office available for the same year. The obtained percentage will be applied to the part of the authorised Support Office's revenue as defined in Article 33 (3) (a) of the Regulation in the year under consideration to obtain the amount of the financial contribution of Norway.

2. The financial contribution shall be paid in euro.
3. Norway shall pay its financial contribution no later than 45 days after receiving the debit note. Any delay in payment shall give rise to the payment of default interest by Norway on the outstanding amount from the due date. The interest rate shall be the rate applied by the European Central Bank to its principal refinancing operations, as published in the C series of the Official Journal of the European Union, in force on the first day of the month in which the deadline falls, increased by 3,5 percentage points.

4. Norway's financial contribution shall be adapted in accordance with this Annex when the financial contribution from the EU entered in the general budget of the EU as defined in Article 33 (3) (a) of the Regulation is increased pursuant to Articles 26, 27 or 41 of Regulation (EU, Euratom) No 966/2012 of the European Parliament and of the Council of 25 October 2012 on the financial rules applicable to the general budget of the Union and repealing Council Regulation (EC, Euratom) No 1605/2002¹. In such a case, the difference shall be due 45 days after receiving the debit note.

5. In the event that payment credits of the Support Office received from the EU according to Article 33 (3) (a) of the Regulation related to a year N are not spent by 31 December of year N or that the Support Office budget of the year N has been lowered according to Articles 26, 27 or 41 of the Regulation (EU, Euratom) No 966/2012, the part of these unspent or lowered payment credits corresponding to the percentage of the contribution made by Norway shall be transferred to the budget of year N+1 of the Support Office. Norway's contribution to the Support Office's budget of year N+1 will be reduced accordingly.
