Subject: Proposal for a Regulation of the European Parliament and of the Council  
amending Council Regulation (EC) No 768/2005 establishing a Community  
Fisheries Control Agency  
- Outcome of the European Parliament's first reading  
(Strasbourg, 4 to 7 July 2016)

#### **I. INTRODUCTION**

In accordance with the provisions of Article 294 of the TFEU and the joint declaration on practical arrangements for the codecision procedure <sup>1</sup>, a number of informal contacts have taken place between the Council, the European Parliament and the Commission with a view to reaching an agreement on this dossier at first reading, thereby avoiding the need for second reading and conciliation.

---

<sup>1</sup> OJ C 145, 30.6.2007, p. 5.

In this context, the four political groups, EPP, S&D, ECR and ALDE, presented one compromise amendment (amendment 1), on behalf of the Committee on Fisheries. This amendment had been agreed during the informal contacts referred to above.

## II. VOTE

When it voted on 6 July 2016, the plenary adopted the compromise amendment (amendment 1) to the proposal for a Regulation.

The Commission's proposal as thus amended and the legislative resolution constitute the European Parliament's position at first reading. It reflects what had been previously agreed between the three institutions.

The Council should therefore be in a position to approve the position of the European Parliament, once the Legal / Linguistic Experts have examined the text. The legislative act would then be adopted in the wording which corresponds to the position of the Parliament at first reading <sup>2</sup>.

<sup>2</sup> The text of the amendment adopted and the European Parliament's legislative resolution are set out in the Annex. The amendment is presented in the form of a consolidated text, where changes to the Commission's proposal are highlighted in *bold and italics*. The symbol "■" indicates deleted text.
