THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EC) No 1606/2002 of the European Parliament and of the Council of 19 July 2002 on the application of international accounting standards<sup>1</sup>, and in particular Article 3(1) thereof,

Whereas:

- (1) By Commission Regulation (EC) No 1126/2008<sup>2</sup> certain international standards and interpretations that were in existence at 15 October 2008 were adopted.
- (2) On 24 July 2014, the International Accounting Standards Board (IASB) published International Financial Reporting Standard (IFRS) 9 *Financial Instruments*. The standard aims to improve the financial reporting of financial instruments by addressing concerns that arose in this area during the financial crisis. In particular, IFRS 9 responds to the G20's call to move to a more forward-looking model for the recognition of expected losses on financial assets.
- (3) Adoption of IFRS 9 implies, by way of consequence, amendments to International Accounting Standard (IAS) 1, IAS 2, IAS 8, IAS 10, IAS 12, IAS 20, IAS 21, IAS 23, IAS 28, IAS 32, IAS 33, IAS 36, IAS 37, IAS 39, IFRS 1, IFRS 2, IFRS 3, IFRS 4, IFRS 5, IFRS 7, IFRS 13, Interpretation of the International Financial Reporting Interpretations Committee (IFRIC) 2, IFRIC 5, IFRIC 10, IFRIC 12, IFRIC 16, IFRIC 19 and interpretation of the Standing Interpretations Committee (SIC) 27 in order to ensure consistency between international accounting standards. In order to ensure consistency with Union law, a consequential amendment to IAS 39, related to fair value hedge accounting, has not been effected in this Regulation. Furthermore, IFRS 9 repeals IFRIC 9.

<sup>1</sup> OJ L 243, 11.9.2002, p. 1

<sup>2</sup> Commission Regulation (EC) No 1126/2008 of 3 November 2008 adopting certain international accounting standards in accordance with Regulation (EC) No 1606/2002 of the European Parliament and of the Council (OJ L 320, 29.11.2008, p. 1)

- (4) Following consultations with the European Financial Reporting Advisory Group and having considered the matters arising from that consultation, in particular regarding the impact of the application of IFRS 9 on the insurance sector, it is concluded that IFRS 9 meets the criteria for adoption set out in Article 3(2) of Regulation (EC) No 1606/2002.
- (5) The adoption of international accounting standards by the Commission has to be done in a timely manner so as not to undermine investor understanding and confidence. Nevertheless, while endorsing IFRS 9, the need for an optional deferral of its application for the insurance sector is recognised. The IASB has undertaken an initiative to address this issue and is expected to submit a proposal in order to secure a single internationally recognised solution. However, in the case that the provisions adopted by the IASB by 31 July 2016 are not considered satisfactory, the Commission intends to give an option to the insurance sector not to apply IFRS 9 for a limited period of time.
- (6) Regulation (EC) No 1126/2008 should therefore be amended accordingly.
- (7) The measures provided for in this Regulation are in accordance with the opinion of the Accounting Regulatory Committee,

HAS ADOPTED THIS REGULATION:
