approved by Coreper, Part 2, on 13.07.2016

The Council approved its position at first reading, in accordance with Article 294(5) of the Treaty on the Functioning of the European Union, and the statement of the Council's reasons, with the Netherlands delegation abstaining. (Legal basis: Article 43(2) TFEU).

Statement by the Netherlands

"The Netherlands abstains on the Regulation on protective measures against pests of plants. The Netherlands believes that the measures regarding the import system, as stated in this regulation, are disproportional (in relation to the actual risks involved)."

Statement by Germany, Austria, Bulgaria, Hungary, Latvia, the Netherlands, Portugal, Greece, Czech Republic, Sweden, Denmark, Finland, Lithuania, Malta, Romania and the United Kingdom

"We note that the terms 'harmful organism' and 'pest' refer to the same concept in EU legal acts, and are used equivalently.

Reasoning:

Given that existing Commission legal acts and Council Regulations and Directives (e.g. Council Directive 93/85/EEC, Regulation (EC) No 1107/2009 of the European Parliament and of the Council, and Commission Implementing Decision 2012/138/EU) also use the term 'harmful organism' with the same meaning and in an equivalent manner, the fact that the terms 'pest' and 'harmful organism' are synonyms should be clearly emphasised, in order to preclude any uncertainty in the application of existing EU legal acts and the new EU Plant Health Regulation."

Statement by the Commission

The Commission therefore declares that it considers this Regulation to be without prejudice to any future position of the institution as regards the recourse to Articles 290 and 291 TFEU for the transposition of Regional Fisheries Management Organisation measures.

The Commission furthermore reserves the right to propose amendments to the Regulation increasing the number of measures which should be adopted by delegated or implementing acts in case the transposition through the ordinary legislative procedure leads to delays which would jeopardise the EU's ability to comply with its international obligations."
