3. The Aviation Working Party was invited to examine the draft measures and to submit comments by 7 September 2016³. Delegations did not provide any indication that there is any reason to oppose the draft measures in question on the grounds described in Decision 1999/468, namely that they:

 - do not respect the principles of subsidiarity or proportionality.
4. The Permanent Representatives Committee is therefore invited to recommend to the Council to confirm that there are no grounds for opposing the draft measures. This implies that, unless the European Parliament opposes the draft Decision within three months from its submission, the Commission shall adopt it in accordance with Article 5a(3)(d) of Council Decision 1999/468/EC.
