'I/A' ITEM NOTE

From:	General Secretariat of the Council
To:	Permanent Representatives Committee (Part 2) / Council
No. prev. doc.:	11414/16
No. Cion doc.:	COM(2016) 254 final
Subject:	Draft Council Implementing Decision setting out a Recommendation on addressing the deficiencies identified in the 2015 evaluation on the application of the Schengen acquis in the field of absence of border control at the internal border by Switzerland

1. Following the Council's adoption of Regulation (EU) No 1053/2013 establishing an evaluation and monitoring mechanism to verify the application of the Schengen acquis, a team of experts from the Member States and the Commission carried out an evaluation of Switzerland's implementation of the Schengen acquis in the field of absence of border control at the internal border with Italy in January 2016.

2. In accordance with that Regulation, the Commission submitted to the Council a proposal for a Council Implementing Decision setting out a Recommendation designed to address the deficiencies identified in the course of the evaluation and ensure that Switzerland applies all Schengen rules related to the absence of border control at the internal border with Italy correctly and effectively.

3. The Working Party for Schengen Matters (Evaluation), including the Mixed Committee partners Norway, Iceland, Switzerland and Liechtenstein, approved the proposal for the Council Implementing Decision setting out a Recommendation on 22 September 2016.

4. The Permanent Representatives Committee is therefore asked to recommend that the Council adopt the draft Council Implementing Decision, as set out in 12620/16, as an 'A' item at a forthcoming meeting.
