NOTE

From:	Presidency
To:	Delegations
No. prev. doc.:	11884/16
Subject:	Questionnaire for the purpose of establishing a list of documents issued by each Member State to nationals of third countries who are authorised to reside in the territory of the issuing Member State or in a part of it, and which do not entitle them to move within the Schengen area

Given the current situation in Europe with regard to migration, it is essential to focus on verifying the identity, rights and obligations of third-country nationals, and as well on the elimination of any possible abuse of 'residence-linked' documents for illegal immigration and/or criminal activities.

Following the fruitful work of previous Presidencies in gathering and exchange of information, the Presidency intends to create a questionnaire for the purpose of establishing a **list of documents issued by each Member State to nationals of third countries who are authorised to reside in the territory of the issuing Member State or in a part of it, and which do not entitle them to move within the Schengen area.**

The objective of the Presidency's initiative is to contribute addressing current challenges with a view to reduce secondary migration flows.

A first draft of such a questionnaire has been presented by document 11884/16 FAUXDOC 27 COMIX 579 and discussed in the Working Party meeting on 13 September 2016, during which delegations already expressed their wish to include the English translation of the document title, information about security features, and precise information regards the image. A deadline for further written comments has been set to 20 September 2016.

Replies have been received by BG, CY, CZ, LV, PL, PT, and the FADO team of the General Secretariat of the Council, leading to the questionnaire presented in the Annex.

Upon agreement on this final version and a deadline for submission during the Working Party meeting on 24 October 2016, delegations are kindly requested to fill out the questionnaire, one for each residence-linked document in question, and to submit it, by the date to be agreed upon within the WP meeting, to the e-mail addresses fauxdoc@minv.sk and klaus-dieter.rudolph@consilium.europa.eu.

In case that Monaco issues residence-linked documents not entitling to move within the Schengen area, the French delegation is kindly invited to submit the questionnaire for these documents as well.
