From: General Secretariat of the Council
To: Permanent Representatives Committee/Council

Subject: European semester 2017
- Roadmap

Delegations will find below the above-mentioned roadmap as presented by the Presidency and the incoming Presidency.

Following established practice, the Presidency and the incoming Presidency have prepared this roadmap outlining all key steps of the 2017 semester.

The objectives of the roadmap are to ensure that all relevant Council configurations, and their preparatory bodies, work in a coordinated and consistent manner towards a thorough preparation of the European Council debates on the European semester and to enable the General Affairs Council and COREPER to oversee the process.

The roadmap is divided in two phases: the first, with more details, until the March European Council, and the second, more indicative, for the period between the European Council meetings in March and June 2017. An updated roadmap will be presented in the spring of 2017, as appropriate.

The incoming Presidency is initiating discussions with the chairs of the Committees with a view to coordinating the management of their work throughout the semester. The incoming Presidency will keep COREPER informed.

The Presidency and the incoming Presidency acknowledge the parliamentary dimension, both at national and European level, of the European semester and take note of the intention for a Joint debate on the European semester with the European Parliament foreseen for March 2017.
