'I/A' ITEM NOTE

From: General Secretariat of the Council
To: Permanent Representatives Committee/Council

No. Cion doc.: 15756/16 ENT 239 MI 810 ENV 822 DELECT 260 + ADD1

Subject: Commission Delegated Regulation (EU) .../... supplementing Regulation (EU) 2016/1628 of the European Parliament and of the Council with regard to monitoring of gaseous pollutant emissions from in-service internal combustion engines installed in non-road mobile machinery
- Intention not to raise objections to a delegated act

1. The Commission has submitted the above delegated act to the Council in accordance with the procedure set out in Article 290(2)(b) TFEU and with regard to Article 19 of the European Parliament and of the Council with regard to technical and general requirements relating to emission limits and type-approval for internal combustion engines for non-road mobile machinery. The Commission having adopted the delegated act on 19 December 2016, the Council may object to it until 19 February 2017.
2. The Working Party on Technical Harmonisation (Motor Vehicles) has examined the delegated act by an electronic information procedure initiated on 22 December 2016 and silently agreed that there are no grounds for the Council to object to it.

3. It is therefore suggested that the Permanent Representatives Committee recommends to the Council to confirm that it has no intention to object to the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies, that unless the European Parliament objects to it, the delegated act shall be published and enter into force on the twentieth day following that of its publication in the Official Journal of the European Union.
