Luxembourg Circular Economy Hotspot (Luxembourg, 20–22 June 2017)

- Information from the Luxembourg delegation -

Luxembourg is keen to showcase circularity in action by exhibiting progress achieved in the last two years at the event 'Luxembourg Circular Economy Hotspot 2017'.

From 20 to 22 June 2017, participants will have the opportunity to take part in company visits that will provide insights into Luxembourg's circular innovations.

This major three-day event will offer a forum for debate, exchange, face-to-face meetings and networking for delegates from Europe and beyond.

Participants will hear from high-level government, political and economic partners from both the Greater Region and the entire Benelux area about how to turn challenges into opportunities by embracing the circular economy.
