- Outcome of the informal trilogue/Approval of the final compromise text
6326/14 AGRI 90 AGRIORG 21 WTO 52 CODEC 358

The SCA took note of the information provided by the Presidency on the outcome of the informal trilogue held in Brussels on 10 February 2014.

The SCA considered the overall compromise text resulting from that trilogue (document 6326/14), noted that no objections were raised and therefore approved the consolidated draft Regulation together with the Commission statement to be published in the Official Journal 'L' series by qualified majority.

The SCA further instructed the Presidency to inform the Chair of the European Parliament Committee on International Trade that should the European Parliament adopt its position at first reading in the exact form as set out in the respective Annexes to the letter, the draft Regulation would, subject to legal linguistic revision, be acceptable to Council.

4. **Organisation of future work**

The Presidency informed the SCA on the cancellation of the planned meeting on 24 February 2014.
