Dear President,

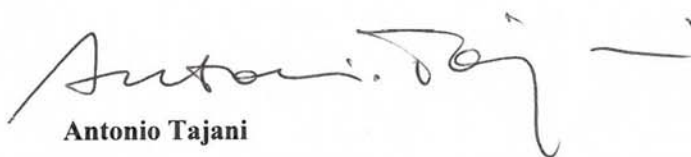

The 23rd Conference of the Parties to the United Nations Framework Convention on Climate Change will be held in Bonn, Germany, in November 2017.

As you know, the European Parliament has consistently given a very high priority to the issue of climate change on its political agenda. It features regularly in debates on legislative proposals and Members of the European Parliament have systematically taken part in previous Conferences.

Therefore, I should be grateful if you would facilitate, in line with established practice, the inclusion of twelve Members of the European Parliament in the delegation of the European Union to the Conference. As part of the established practice, the names of the Members will be forwarded by email by Parliament's Secretariat to its counterpart in the Commission, at least four weeks ahead of the Conference.

A similar letter has been sent to Mr Juncker, President of the European Commission.

Yours sincerely,

**Antonio Tajani**
