Delegations will find attached a statement by the Commission to the minutes of the Permanent Representatives Committee and the Council.

**Statement by the Commission**

In so far as the relevant amendments to SOLAS Regulation II-2/9.4.1.3 and the amendments to paragraph 8.10.1.4 of the 1994 High Speed Craft Code and to paragraph 8.10.1.6 of the 2000 High Speed Craft Code are concerned, their adoption at the IMO affects existing Union legislation. Therefore, these amendments fall within the exclusive external competence of the Union. Consequently, the Union position established in respect of those amendments cannot be limited in scope and must therefore be understood as covering them in their entirety, without prejudice to Article 2(2) TFEU.
