Disclosure Initiative

(Amendments to IAS 7)

Amendments to IAS 7 *Statement of Cash Flows*

Paragraphs 44A–44E and the related heading is added. Paragraph 60 is also added.

Changes in liabilities arising from financing activities

- 44A** An entity shall provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes.
- 44B** To the extent necessary to satisfy the requirement in paragraph 44A, an entity shall disclose the following changes in liabilities arising from financing activities:
- (a) changes from financing cash flows;
 - (b) changes arising from obtaining or losing control of subsidiaries or other businesses;
 - (c) the effect of changes in foreign exchange rates;
 - (d) changes in fair values; and
 - (e) other changes.
- 44C** Liabilities arising from financing activities are liabilities for which cash flows were, or future cash flows will be, classified in the statement of cash flows as cash flows from financing activities. In addition, the disclosure requirement in paragraph 44A also applies to changes in financial assets (for example, assets that hedge liabilities arising from financing activities) if cash flows from those financial assets were, or future cash flows will be, included in cash flows from financing activities.
- 44D** One way to fulfil the disclosure requirement in paragraph 44A is by providing a reconciliation between the opening and closing balances in the statement of financial position for liabilities arising from financing activities, including the changes identified in paragraph 44B. Where an entity discloses such a reconciliation, it shall provide sufficient information to enable users of the financial statements to link items included in the reconciliation to the statement of financial position and the statement of cash flows.
- 44E** If an entity provides the disclosure required by paragraph 44A in combination with disclosures of changes in other assets and liabilities, it shall disclose the changes in liabilities arising from financing activities separately from changes in those other assets and liabilities.

- 60 *Disclosure Initiative* (Amendments to IAS 7), issued in January 2016, added paragraphs 44A–44E. An entity shall apply those amendments for annual periods beginning on or after 1 January 2017. Earlier application is permitted. When the entity first applies those amendments, it is not required to provide comparative information for preceding periods.
