Agreement for scientific and technological cooperation between the European Union and the People's Democratic Republic of Algeria setting out the terms and conditions for participation of the People's Democratic Republic of Algeria in the Partnership for Research and Innovation in the Mediterranean Area (PRIMA)

The European Union (hereinafter 'the Union'),

and
the People's Democratic Republic of Algeria (hereinafter 'Algeria'),
of the other part,
(hereinafter 'the Parties')

Whereas the Euro-Mediterranean Agreement establishing an Association between the European Community and its Member States, of the one part, and the People's Democratic Republic of Algeria, of the other part, which entered into force on 1 September 2005, provides for the scientific, technical and technological cooperation;

Whereas the Agreement between the European Union and the People's Democratic Republic of Algeria on scientific and technological cooperation, which entered into force on 11 June 2013, establishes a formal framework for cooperation of the Parties in scientific and technological research;

Whereas Decision (EU) 2017/1324 of the European Parliament and of the Council on the participation of the Union in the Partnership for Research and Innovation in the Mediterranean Area (PRIMA) jointly undertaken by several Member States regulates the terms and conditions for the participation of the EU Member States and Countries Associated to Horizon 2020 who are Participating States of the initiative, in particular their financial obligations and participation in the governing structures of the initiative;

Whereas according to the terms of Decision (EU) 2017/1324 Algeria is to become a Participating State in PRIMA subject to the conclusion of an international agreement for scientific and technological cooperation with the Union setting out the terms and conditions of Algeria's participation in PRIMA;

Whereas Algeria expressed its wish to join PRIMA as a Participating State and on an equal footing with the EU Member States and Countries Associated to Horizon 2020 participating in PRIMA;
