OPINION

FOR THE ATTENTION OF THE EUROPEAN PARLIAMENT
 THE COUNCIL
 THE COMMISSION

Amended proposal for a Regulation of the European Parliament and of the Council on additional customs duties on imports of certain products originating in the United States of America (codification)

COM(2017) 361 final of 4.7.2017 - 2014/0175 (COD)

Having regard to the Inter-institutional Agreement of 20 December 1994 on an accelerated working method for official codification of legislative texts, and in particular to point 4 thereof, the Consultative Working Party consisting of the respective legal services of the European Parliament, the Council and the Commission examined the aforementioned proposal upon adoption by the Commission.

An examination of the amended proposal for a Regulation of the European Parliament and of the Council codifying Council Regulation (EC) No 673/2005 of 25 April 2005 establishing additional customs duties on imports of certain products originating in the United States of America resulted in the Consultative Working Party's concluding, without dissent, that the proposal is a straightforward codification of existing texts, without any change in their substance.
