1. The Commission Amended proposal for a Regulation of the European Parliament and of the Council on additional customs duties on imports of certain products originating in the United States of America (codification) (COM(2017) 361 final of 4.7.2017 - 2014/0175 (COD)) was circulated to delegations on 6 July 2017 by document ST 11053/17 + ADD1 CODIF 20 CODEC 1219 MI 549 UD 175 ECO 46.

Until the established deadline (10 September 2017) none of the Delegations has submitted any horizontal comment on the subject codification proposal, therefore, the text is considered as agreed in the form as it was proposed by the European Commission on 4 July 2017.

2. The following delegation submitted one language-related editorial comment which will be dealt with by the lawyer-linguists at the stage of the legal-linguistic revision: **PL**.
3. The opinion of the Consultative Working Group of Legal Services was circulated to delegations on 27 September 2017 as doc. ST 12610/17. The analysis of the three Legal Services confirms that the subject codification proposal is a straightforward codification of existing texts, without any change in the substance.
