Statement by the Commission

"In light of the rules of the Treaties, a CFSP decision cannot be used as a means to confer power on the Council to enact a derogation from the procurement rules defined in the Financial Regulation given that such power is attributed to the Commission. Moreover, any derogation from the rules on participation in the procurement procedures for the EU Advisory Mission in support of Security Sector Reform in Iraq (EUAM Iraq) cannot be of generic and unlimited nature and must be duly justified in each specific case.

The Commission considers that the derogating provisions on procurement in the CFSP Decision can only be interpreted as a purely enabling clause. The Commission continues to exercise its competences in the implementation of the budget related to the Mission as stemming from the Treaties and in accordance with the rules and procedures of the Financial Regulation."
