Subject:	Proposal for a Regulation of the European Parliament and of the Council amending Regulation (EC) No 1166/2008 on farm structure surveys and the survey on agricultural production methods, as regards the financial framework for the period 2014-2018 – Outcome of the European Parliament's first reading (Strasbourg, 10 to 13 March 2014)

I. INTRODUCTION

In accordance with the provisions of Article 294 of the TFEU and the joint declaration on practical arrangements for the codecision procedure¹, a number of informal contacts took place between the Council, the European Parliament and the Commission with a view to reaching an agreement on this dossier at first reading, thereby avoiding the need for second reading and conciliation.

In this context, the S&D and EPP political groups submitted a compromise amendment to the proposal for a Regulation. This amendment had been agreed during the informal contacts referred to above.

¹ OJ C 145, 30.6.2007, p.5

II. VOTE

When it voted on 11 March 2014, the plenary adopted the compromise amendment. No other amendments were adopted.

The Commission's proposal as thus amended constitutes the Parliament's first-reading position which is contained in its legislative resolution as set out in the Annex hereto.

The Parliament's position reflects what had been previously agreed between the institutions. The Council should therefore be in a position to approve the Parliament's position.
