Subject: Proposal for a Council Regulation establishing the Shift2Rail Joint
Undertaking
- Adoption of the Council position

Delegations will find in the Annex a statement by Germany on the above proposal.

**Statement for the minutes by the Federal Republic of Germany
on the occasion of the Council's decision establishing the Shift2Rail Joint Undertaking**

Germany regrets that in discussions on the Council decision establishing the Shift2Rail Joint Undertaking, it was not possible to consider in depth the issue of the applicability of the Staff Regulations of Officials of the European Union and the Conditions of Employment of other servants of the Union (CEOS) and the legal impact of their application. In this connection, Germany refers to the Council Legal Service opinion of 13 September 2007.
