COMMISSION DELEGATED REGULATION (EU) No .../..

of 11.3.2014

supplementing Regulation (EU) No 1308/2013 of the European Parliament and of the Council by amending Commission Regulation (EC) No 288/2009 as regards the granting of aid for accompanying measures in the framework of a School Fruit and Vegetables Scheme

EXPLANATORY MEMORANDUM

1. CONTEXT OF THE DELEGATED ACT

In the context of CAP 2020, Regulation (EU) No 1308/2013 of the European Parliament and of the Council establishing a common organisation of the markets in agricultural products provides for the eligibility to the Union aid of accompanying measures necessary to ensure the successful implementation of the School Fruit and Vegetables Scheme. The purpose of this delegated act is to lay down detailed rules concerning the eligible costs, the financial ceilings and other elements necessary for the eligibility of accompanying measures for the Union cofinancing.

2. CONSULTATIONS PRIOR TO THE ADOPTION OF THE ACT

Consultations, involving experts from all Member States have been carried out within the Experts Group on delegated acts under the single CMO. The first meeting was organised on 15 October 2013 to launch the discussion. This meeting allowed for a first presentation of the Commission's ideas on the scope of this act and a first exchange of views. A second meeting of the Experts Group was held on 5 November 2013. At this meeting the draft text was presented for the first time. The exercise consisted in clarifying the Commission's approach and hearing experts' views. The draft was then refined taking into account the observations and comments made orally in the meeting and/or sent in writing to the Commission after that meeting. A third and fourth meeting of the Experts Group were held on 26 November and 10 December 2013 for final refinement of the text. The draft versions were transmitted to the European Parliament and to the Council after convening the Experts Group meetings.

3. LEGAL ELEMENTS OF THE DELEGATED ACT

This delegated act amends Commission Regulation (EC) No 288/2009 of 7 April 2009 laying down detailed rules for applying Council Regulation (EC) No 1234/2007 as regards Community aid for supplying fruit and vegetables, processed fruit and vegetables and banana products to children in educational establishments, in the framework of a School Fruit and Vegetables Scheme.

Accompanying measures directly linked to the objectives of the School Fruit and Vegetables Scheme in increasing short- and long-term fruit and vegetable consumption, and shaping healthy eating habits may be financed from Union funds. The total amount of Union funds used to finance the costs of these measures should not exceed 15% of the national allocations. Member States may also make additional payments to make the scheme more effective.

The adoption of this delegated act does not entail financial implications.

THE EUROPEAN COMMISSION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Regulation (EU) No 1308/2013 of the European Parliament and of the Council of 17 December 2013 establishing a common organisation of the markets in agricultural products and repealing Council Regulations (EEC) No 922/72, (EEC) No 234/79, (EC) No 1037/01 and (EC) No 1234/2007¹, and in particular point (c) of paragraph 1 and point (b) of paragraph 2 of Article 24 thereof,

Whereas:

- (1) Regulation (EU) No 1308/ 2013 repealed and replaced Council Regulation (EC) No 1234/2007² as from 1 January 2014.
- (2) Article 23(1)(b) of Regulation (EU) No 1308/2013 provides that the Union aid under the School Fruit and Vegetables Scheme may cover also the accompanying measures necessary to make the scheme effective. It is therefore necessary to define those measures in terms of objectives and of costs associated with them and to determine which of those costs could be eligible for the Union aid.
- (3) Commission Regulation (EC) No 288/2009³ provides rules for the application of the School Fruit and Vegetables Scheme and in particular the obligation for the Member States to describe in their strategies the accompanying measures which they intend to adopt in order to ensure the successful implementation of the scheme. It also provides for rules on the costs eligible to the Union aid. It is therefore appropriate to amend Regulation (EC) No 288/2009 in order to include the rules concerning the accompanying measures as referred to in Article 23(1)(b) of Regulation (EU) No 1308/2013.

¹ OJ L 347, 20.12.2013, p.671.

³ Commission Regulation (EC) No 288/2009 of 7 April 2009 laying down detailed rules for applying Council Regulation (EC) No 1234/2007 as regards Community aid for supplying fruit and vegetables, processed fruit and vegetables and banana products to children in educational establishments, in the framework of a School Fruit Scheme (OJ L 94, 8.4.2009, p. 38).

- (4) Article 4(1) of Regulation (EC) No 288/2009 provides that Member States setting up a School Fruit and Vegetables Scheme may apply for the Union aid for one or more periods running from 1 August to 31 July. To take into account the periodicity of the school year, the new rules concerning the accompanying measures should therefore become applicable as from 1 August 2014,
