LEGISLATIVE ACTS AND OTHER INSTRUMENTS

Subject: COUNCIL REGULATION laying down the multiannual financial framework
for the years 2014-2020

Page 4, recital 10:

For:

"(10) Rules should be laid down for other situations that might require the MFF to be adjusted or revised. Such adjustments or revisions might be related to the implementation of the budget, macroeconomic conditionalities linked to the coordination of Member States' economic policies, revision of the Treaties, enlargements, the reunification of Cyprus, or delayed adoption of new rules governing certain policy areas.",

read:

"(10) Rules should be laid down for other situations that might require the MFF to be adjusted or revised. Such adjustments or revisions might be related to the implementation of the budget, measures linking effectiveness of funds to sound economic governance, revision of the Treaties, enlargements, the reunification of Cyprus, or delayed adoption of new rules governing certain policy areas."

Page 14, Article 8:

For:

"Article 8

Adjustments related to macroeconomic conditionalities linked to the coordination of Member States' economic policies

In the case of the lifting by the Commission of a suspension of budgetary commitments concerning the European Regional Development Fund, the European Social Fund, the Cohesion Fund, the European Agricultural Fund for Rural Development or the European Maritime and Fisheries Fund in the context of macroeconomic conditionalities linked to the coordination of Member States' economic policies, the Commission, in accordance with the relevant basic act, shall transfer the suspended commitments to the following years. Suspended commitments of year n may not be re-budgeted beyond year n+3.",
