- page 3, item 9, please read as follows:
- 9. Council Decision authorising France to apply a reduced rate of certain indirect taxes on "traditional" rum produced in Guadeloupe, French Guiana, Martinique and Réunion and **repealing** Decision 2007/659/EC (LA)..... 17
- page 8, second paragraph, please read as follows:

Lastly, Poland has been constantly raising its objections in relation to the inclusion of the ‘value of the service provided by collective management organisations’ as a criterion to set the tariffs in **article 16**. Such a criterion, which is not clearly defined, may lead to problems of interpretation or to the risk of abuse in setting the tariffs, especially in the systems where collective management organisations operate on a non-profit basis.
