Subject: **EARLY WARNING**

Full Powers for the signing of the Association Agreement between the European Union and the European Atomic Energy Community and their Member States, of the one part, and Georgia, of the other part (see docs. 17901/13)

In order to prepare for the signing ceremony of the abovementioned Agreement, which is envisaged to take place in Brussels in the margins of the European Council on 27 June 2014, Member States are requested to ensure that an instrument of Full Powers* is duly issued, authorising their respective plenipotentiary to sign.

The original of these Full Powers, or at least a copy thereof, should be sent to the Council's Agreements Office ¹ by the date of the signature, at the latest.

* Full Powers are required to be issued to any plenipotentiary who is not a Head of State, Head of Government or a Minister for Foreign Affairs (see Article 7 of the Vienna Convention on the Law of Treaties). However, those Member States' Permanent Representatives who have communicated to the General Secretariat of the Council a general authorisation from their authorities to sign EU Agreements on behalf of their country are exempt from this requirement.
