---

1. The Governing Board is established by Council Regulation (EC) No 1111/2005 of 24 June 2005<sup>1</sup>, amending Regulation (EEC) No 1365/75 on the creation of a European Foundation for the Improvement of Living and Working Condition<sup>2</sup>.
2. Pursuant to Article 6 of the Regulation, the members and alternate members of the Governing Board representing the Governments of the Member States, employees' organisations and employers' organisations are appointed by the Council for a period of three years.

3. The Council appointed the members and alternate members of the Governing Board of the European Foundation for the Improvement of Living and Working Conditions, by its Decision of 2 December 2013<sup>3</sup>. However, it remained to appoint certain members and alternate members at a later stage.
4. Further nominations of a member and an alternate member of the new Governing Board have now been received by the Council Secretariat, as set out in the draft Council Decision in doc. 11259/14<sup>4</sup>.
5. The Permanent Representatives Committee could therefore suggest that the Council:
  - (a) adopt the Council Decision appointing a member and an alternate member of the Governing Board of the European Foundation for the Improvement of Living and Working Conditions for Hungary, as an "A" item, and
  - (b) decide to publish the Decision for information in the Official Journal of the European Union.
