from: General Secretariat of the Council  
to: Coreper / Council

---

Subject: Report on the implementation of the obligations under the Joint Convention on the Safety of Spent Fuel Management and on the Safety of Radioactive Waste Management – 5<sup>th</sup> Review Meeting of the Contracting Parties, Vienna, May 2015

---

The European Atomic Energy Community (Euratom) and Member States are Parties to the Joint Convention on the Safety of Spent Fuel Management and on the Safety of Radioactive Waste Management. In compliance with Articles 30 and 32 of the Joint Convention, each Party must submit a report on the measures it has taken to implement each of the obligations of the Convention. Those reports will be examined at the next (5<sup>th</sup>) review meeting, scheduled for 11-22 May 2015.

Euratom's report, drawn up by the Commission, is found in Addendum 1 to this document<sup>1</sup>.

Delegations are requested to note:

- the report;

---

<sup>1</sup> This report is in the process of being formally adopted by the Commission.

- that it was prepared in consultation with the Member States, in the spirit of the agreed "Guidelines on cooperation in the framework of international conventions to which the European Atomic Energy Community and its Member States are parties" (doc. 13876/4/06 REV 4). The consultation took place in the Council Working Party on Atomic Questions;
  - that replies to any questions on the report raised by other Contracting Parties will be formulated in the framework of Community coordination.
-
