"I/A" ITEM NOTE

From: General Secretariat of the Council
To: Permanent Representatives Committee/Council

No. prev. doc.: 11787/14 DENLEG 127 AGRI 493 SAN 284 + ADD 1

Subject: COMMISSION REGULATION (EU) No .../. of XXX on the authorisation of a health claim made on foods and referring to the reduction of disease risk
- *Decision not to oppose adoption*

1. According to Article 17(3) of Regulation (EC) No 1924/2006 of the European Parliament and of the Council of 20 December 2006 on nutrition and health claims made on foods¹ a decision on an application, designed to amend non essential elements of the Regulation by supplementing it, should be adopted in accordance with the regulatory procedure with scrutiny.
2. The regulatory procedure with scrutiny was regulated by Article 5a of the Council Decision 1999/468/EC of 28 June 1999 laying down the procedures for the exercise of implementing powers conferred on the Commission².

¹ OJ L 404, 30.12.2006, p. 9.

² OJ L 184, 17.7.1999, p. 23.

3. According to the second subparagraph of Article 12 of Regulation (EU) No 182/2011 of the European Parliament and of the Council of 16 February 2011 laying down the rules and general principles concerning mechanisms for control by Member States of the Commission's exercise of implementing powers³, the effects of Article 5a of Decision 1999/468/EC are maintained for the purposes of existing basic acts making reference thereto.
4. Before adopting the above mentioned measure and in accordance with Article 5a(2) of Council Decision 1999/468/EC, the Commission consulted the Standing Committee on the Food Chain and Animal Health on 23 April 2014, which voted by unanimity in favour of the above draft Regulation.
5. Consequently, the Commission submitted the above draft Regulation to the Council on 9 July 2014, in accordance with Article 5a(3)(a) of Council Decision 1999/468/EC.
6. Under the regulatory procedure with scrutiny, the Council, acting by qualified majority, may oppose the Commission's adoption of the draft Commission Regulation on the grounds that the draft measures presented by the Commission:
 - exceed the implementing powers provided for in the basic instrument, or
 - are not compatible with the aim or the content of the basic instrument, or
 - do not respect the principles of subsidiarity or proportionality.
7. The delegations were asked on 15 July 2014 to indicate until 25 July 2014 their possible opposition to the draft Regulation. The delegations did not raise any of the above-mentioned grounds for opposition.
8. **The Permanent Representatives Committee is therefore invited to recommend to the Council to confirm, as an "A" item of its agenda, that it is not opposed to the draft Regulation in subject.** Unless the European Parliament opposes the Regulation within 3 months from its submission, the Commission may adopt it in accordance with the procedure under Article 5a(3)(d) of Council Decision 1999/468/EC.

³ OJ L 55, 28.2.2011, p. 13.
