INTRODUCTION

Regulation 1927/2006 of the European Parliament and of the Council of 20 December 2006, as amended by Regulation (EC) 546/2009, establishes the European Globalisation Adjustment Fund (EGF). It covers applications for the mobilisation of the EGF submitted to the Commission up to 31 December 2013.

Point 13 of the Interinstitutional Agreement of 2 December 2013 between the European Parliament, the Council and the Commission on budgetary discipline and sound financial management sets the budgetary provisions related to the EGF.

d) Detailed grounds for the increase

In the proposal for Decision [COM(2014) 478], the Commission concluded that the conditions for a financial contribution from the EGF to application EGF/2013/010 ES/Castilla y León, submitted by the Spanish authorities, are met.

The amount of EUR 700 000 requested by the Spanish authorities will contribute to the costs of a coordinated package of eligible personalised services for 400 redundant workers in 3 enterprises operating in the NACE Revision 2 Division 16 (Manufacture of wood and of products of wood and cork, except furniture; manufacture of articles of straw and plaiting materials) in Spain, providing assistance with a view to re-integrating the affected workers into the labour market.

The redundancies were caused by major structural changes in world trade patterns due to globalisation.
