Subject: Proposal for a Regulation of the European Parliament and of the Council
amending Regulation (EC) No 294/2008 establishing the European Institute of
Innovation and Technology
– Outcome of the European Parliament's first reading
(Strasbourg, 18 to 21 November 2013)

I. INTRODUCTION

In accordance with the provisions of Article 294 of the TFEU and the joint declaration on practical arrangements for the codecision procedure ¹, a number of informal contacts have taken place between the Council, the European Parliament and the Commission with a view to reaching an agreement on this dossier at first reading, thereby avoiding the need for second reading and conciliation.

¹ OJ C 145, 30.6.2007, p.5

In this context, the rapporteur, Philippe Lamberts (Greens/EFA, BE) presented one compromise amendment (amendment 61) to the proposal for a Regulation, on behalf of the of the Committee on Industry, Research and Energy. This amendment had been agreed during the informal contacts referred to above.

II. VOTE

When it voted on 21 November 2013, the plenary adopted the compromise amendment to the proposal for a Regulation. The Commission's proposal as thus amended constitutes the Parliament's first-reading position which is contained in its legislative resolution as set out in the Annex hereto¹. The Parliament's position reflects what had been previously agreed between the institutions. The Council should therefore be in a position to approve the Parliament's position. The act would then be adopted in the wording which corresponds to the Parliament's position.

¹ The version of the Parliament's position in the legislative resolution has been marked up to indicate the changes made by the amendments to the Commission's proposal. Additions to the Commission's text are highlighted in *bold and italics*. The symbol "■" indicates deleted text.
