Proposal for a

COUNCIL DECISION

**on the position to be adopted, on behalf of the European Union,
in the EEA Joint Committee concerning an amendment to Protocol 31 to the EEA
Agreement, on cooperation in specific fields outside the four freedoms
(Satellite Navigation)**

EXPLANATORY MEMORANDUM

1. CONTEXT OF THE PROPOSAL

In order to ensure the requisite legal security and homogeneity of the Internal Market, the EEA Joint Committee is to integrate all the relevant EU legislation into the EEA Agreement as soon as possible after its adoption.

Article 78 of the EEA Agreement provides that the Contracting Parties shall strengthen and broaden cooperation in the framework of the Union's activities in the fields of, inter alia, information services, and research and technological development.

2. RESULTS OF CONSULTATIONS WITH THE INTERESTED PARTIES AND IMPACT ASSESSMENTS

The draft Decision of the EEA Joint Committee (annexed to the proposed Council Decision) aims to amend Protocol 31 to the EEA Agreement on cooperation in specific fields outside the four freedoms in order to extend the cooperation of the Contracting Parties in the area of information services, and research and technological development.

In order to extend the cooperation of the Contracting Parties to the EEA Agreement in this area (to take place from 1 January 2014), Regulation (EU) No 1285/2013 of the European Parliament and of the Council of 11 December 2013 on the implementation and exploitation of European satellite navigation systems and repealing Council Regulation (EC) No 876/2002 and Regulation (EC) No 683/2008 of the European Parliament and of the Council¹ needs to be incorporated to the EEA Agreement through the above mentioned amendment.

It should be noted that Norway has already participated and contributed financially to the activities resulting from the Regulation (EC) No 683/2008 of the European Parliament and of the Council² through the inclusion of that Regulation in Protocol 31 to the EEA Agreement.

Due to Iceland's economic constraints, the participation of Iceland in this area should be temporarily suspended.

The related Cooperation Agreement on Satellite Navigation between the European Union and its Member States and the Kingdom of Norway³, which was signed on 22 September 2010, applies provisionally as of 1 May 2011.

3. LEGAL ELEMENTS OF THE PROPOSAL

Article 1(3) of Council Regulation (EC) No 2894/94 concerning arrangements for implementing the EEA Agreement provides that the Council establishes the position to be adopted on the Union's behalf on such Decisions, on a proposal from the Commission.

¹ OJ L 347, 20.12.2013, p. 1.

² OJ L 196, 24.7.2008, p. 1

³ OJ L 283, 29.10.2010, p. 12.

The Commission submits the Draft Decision of the EEA Joint Committee for adoption by the Council as the Union's position. The Commission would hope to be able to present it in the EEA Joint Committee at the earliest possible opportunity.

The Decision of the EEA Joint Committee should serve also as the agreement of the Parties, pursuant to Article 1(8) of Protocol 32 to the EEA Agreement, to commence the cooperation under Regulation (EU) No 1285/2013 from 1 January 2014 even if this EEA Joint Committee Decision is adopted, or if the fulfilment of constitutional requirements for this EEA Joint Committee Decision, if any, is notified after 10 July 2014.

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Article 172 in conjunction with Article 218(9) thereof,

Having regard to Council Regulation (EC) No 2894/94 of 28 November 1994 concerning arrangements for implementing the Agreement on the European Economic Area⁴, and in particular Article 1(3) thereof,

Having regard to the proposal from the European Commission,

Whereas:

- (1) The Agreement on the European Economic Area⁵ ('the EEA Agreement') entered into force on 1 January 1994.
- (2) Pursuant to Article 98 of the EEA Agreement, the EEA Joint Committee may decide to amend, inter alia, Protocol 31 to the EEA Agreement ('Protocol 31').
- (3) Protocol 31 contains provisions and arrangements concerning cooperation in specific fields outside the four freedoms.
- (4) It is appropriate to extend the cooperation of the Contracting Parties to the EEA Agreement to include Regulation (EU) No 1285/2013 of the European Parliament and of the Council⁶.
- (5) It is appropriate that the participation of EFTA States in the activities resulting from Regulation (EU) No 1285/2013 commence from 1 January 2014 even if the EEA Joint Committee Decision annexed to this Decision is adopted, or if the fulfilment of constitutional requirements for this EEA Joint Committee Decision, if any, is notified after 10 July 2014.

⁴ OJ L 305, 30.11.1994, p. 6.

⁵ OJ L 1, 3.1.1994, p. 3.

- (6) Entities established in the EFTA States should be entitled to participate in activities which start before the entry into force of the EEA Joint Committee Decision annexed to this Decision. The costs incurred for such activities, the implementation of which starts after 1 January 2014, may be considered eligible under the same conditions as those applicable to costs incurred by entities established in the EU Member States provided that the EEA Joint Committee Decision enters into force before the end of the action concerned.
- (7) Protocol 31 should therefore be amended accordingly.
- (8) The position of the Union within the EEA Joint Committee should therefore be based on the attached draft Decision.
