12871/14

CORDROGUE 64
SAN 335

"I/A" ITEM NOTE

From:	General Secretariat of the Council
To:	COREPER/Council
No. prev. doc.:	12869/14 CORDROGUE 63 SAN 334
Subject:	Request from the Commission on a new psychoactive substance: 1-cyclohexyl-4-(1,2-diphenylethyl)-piperazine (MT-45)

1. In accordance with Article 5 of Council Decision 2005/387/JHA on the information exchange, risk assessment and control of new psychoactive substances, Europol and EMCDDA submitted the Joint Report on a new psychoactive substance 1-cyclohexyl-4-(1,2-diphenylethyl)-piperazine (MT-45) (doc. 11380/14 CORDROGUE 51 SAN 263).
2. In conformity with Article 6(1) of Council Decision 2005/387/JHA, the Commission requested that the risk assessments be conducted (12869/14 CORDROGUE 63 SAN 334). Moreover, a substantial number of Member States also asked for the risk assessment to take place.

3. As a consequence, COREPER is invited to propose that the Council requests that the risks, including the health and social risks, caused by the use of, the manufacture of, and traffic in 1-cyclohexyl-4-(1,2-diphenylethyl)-piperazine (MT-45), the involvement of organised crime and possible consequences of control measures, be assessed in accordance with the procedure set out in paragraphs 2 to 4 of Article 6 of the above-mentioned Council Decision.

 4. Subsequently, the General Secretariat of the Council of the EU is invited to notify this request to the EMCDDA.
