*- Decisions not to oppose adoption*

---

1. Annex I to Regulation (EC) No 1334/2008 lays down a Union list of flavourings and source materials approved for use in and on foods and their conditions of use. The Commission can amend the Union list by comitology with scrutiny procedure according to the Regulation (EC) No 1331/2008 establishing a common authorisation procedure for food additives, food enzymes and food flavourings<sup>1</sup>. According to Article 7(5) of the later, the amendment can be adopted on the grounds of efficiency by the regulatory procedure with scrutiny with curtailed time-limits (2 months) for the European Parliament and the Council to oppose such amendment.
2. According to the second subparagraph of Article 12 of Regulation (EU) No 182/2011 of the European Parliament and of the Council<sup>2</sup>, the effects of Article 5a of Council Decision 1999/468/EC<sup>3</sup> are maintained for the purposes of existing basic acts making reference thereto.

<sup>2</sup> Regulation (EU) No 182/2011 of the European Parliament and of the Council of 16 February 2011 laying down the rules and general principles concerning mechanisms for control by Member States of the Commission's exercise of implementing powers (OJ L 55, 28.2.2011, p. 13).

3. Before adopting the draft Regulation referred to in the subject and in accordance with Article 5a(2) of Council Decision 1999/468/EC, the Commission consulted the Standing Committee on the Food Chain and Animal Health on 1 July 2014, which voted in favour of the draft Regulation (326 votes in favour and 12 abstentions).
4. Consequently, the Commission submitted the above draft Regulation to the Council on 5 August 2014, in accordance with Article 5a(3)(a) of Council Decision 1999/468/EC.
5. Under the regulatory procedure with scrutiny with curtailed time-limits for efficiency measure, the Council, acting by qualified majority, may oppose within 2 months the Commission's adoption of the draft Regulation on the grounds that the draft measure presented by the Commission:
  - exceed the implementing powers provided for in the basic instrument; or
  - are not compatible with the aim or the content of the basic instrument; or
  - do not respect the principles of subsidiarity or proportionality.
6. The delegations were asked on 27 August 2014 to indicate until 5 September 2014 their possible opposition to the draft Regulation. The delegations did not raise any of the above-mentioned grounds for opposition.
7. **The Permanent Representatives Committee is therefore invited to recommend to the Council to confirm, as "A" item of its agenda, that it is not opposed to the draft Regulation referred to in document 13636/14 + ADD1.** Unless the European Parliament opposes the Regulation within 2 months from its submission, the Commission may adopt it in accordance with the procedure under Article 5a(3)(d) of Council Decision 1999/468/EC.
