THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular the first subparagraph of Article 207(4) in conjunction with Article 218(9) thereof,

Having regard to the proposal from the European Commission,

Whereas:

- (1) Protocol 4 to the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the former Yugoslav Republic of Macedonia, of the other part¹ ('the Agreement') concerns the definition of the concept of 'originating products' and methods of administrative cooperation, ('Protocol 4').
- (2) The Regional Convention on pan-Euro-Mediterranean preferential rules of origin² ('the Convention') lays down provisions on the origin of goods traded under relevant agreements concluded between the contracting parties to the Convention. The former Yugoslav Republic of Macedonia and other participants to the Stabilisation and Association Process from the Western Balkans were invited to join the system of pan-European diagonal cumulation of origin in the Thessaloniki agenda, endorsed by the European Council of June 2003. They were invited to join the Convention by a decision of the Euro-Mediterranean Ministerial Conference of October 2007.
- (3) The Union and the former Yugoslav Republic of Macedonia signed the Convention on 15 June 2011.
- (4) The Union and the former Yugoslav Republic of Macedonia deposited their instruments of acceptance with the depositary of the Convention on 26 March 2012 and 14 June 2012 respectively. As a consequence, in application of Article 10(3) of the Convention, the Convention entered into force in relation to the Union and the former Yugoslav Republic of Macedonia on 1 May 2012 and on 1 August 2012 respectively.

¹ OJ L 84, 20.3.2004, p. 13.

² OJ L 54, 26.2.2013, p. 4.

- (5) Article 6 of the Convention provides that each contracting party to the Convention is to take appropriate measures to ensure that the Convention is effectively applied. To that effect, the Stabilisation and Association Council established by the Agreement should adopt a Decision replacing Protocol 4 by a new protocol which, with regard to the rules of origin, refers to the Convention.
- (6) The position of the Union within the Stabilisation and Association Council should therefore be based on the attached draft decision,

HAS ADOPTED THIS DECISION:

Article 1

1. The position to be adopted on behalf of the European Union within the Stabilisation and Association Council established by the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the former Yugoslav Republic of Macedonia, of the other part, as regards the replacement of Protocol 4 to that Agreement, concerning the definition of the concept of 'originating products' and methods of administrative cooperation, by a new protocol which, as regards the rules of origin, refers to the Regional Convention on pan-Euro-Mediterranean preferential rules of origin, shall be based on the draft decision of the Stabilisation and Association Council attached to this Decision.
2. Minor changes to the draft decision of the Stabilisation and Association Council may be agreed to by the representatives of the Union in the Stabilisation and Association Council without further decision of the Council.

Article 2

The decision of the Stabilisation and Association Council shall be published in the *Official Journal of the European Union*.

Article 3

This Decision shall enter into force on the date of its adoption.

DRAFT

DECISION No ...
OF THE EU-FORMER YUGOSLAV REPUBLIC OF MACEDONIA
STABILISATION AND ASSOCIATION COUNCIL

of

replacing Protocol 4 to the Stabilisation and Association Agreement
between the European Communities and their Member States, of the one part,
and the former Yugoslav Republic of Macedonia, of the other part,
concerning the definition of the concept of 'originating products'
and methods of administrative cooperation

THE EU-FORMER YUGOSLAV REPUBLIC OF MACEDONIA STABILISATION AND
ASSOCIATION COUNCIL,

Having regard to the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the former Yugoslav Republic of Macedonia, of the other part¹, and in particular Article 40 thereof,

Having regard to Protocol 4 to the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the former Yugoslav Republic of Macedonia, of the other part, concerning the definition of the concept of 'originating products' and methods of administrative cooperation,

¹ OJ L 84, 20.3.2004, p. 13.

Whereas:

- (1) Article 40 of the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the former Yugoslav Republic of Macedonia, of the other part ('the Agreement') refers to Protocol 4 to the Agreement ('Protocol 4') which lays down the rules of origin and provides for cumulation of origin between the Union, the former Yugoslav Republic of Macedonia, Turkey and any country or territory participating in the Union's Stabilisation and Association Process.
- (2) Article 39 of Protocol 4 provides that the Stabilisation and Association Council provided for in Article 108 of the Agreement may decide to amend the provisions of Protocol 4.
- (3) The Regional Convention on pan-Euro-Mediterranean preferential rules of origin¹ ('the Convention') aims to replace the protocols on rules of origin currently in force among the countries of the pan-Euro-Mediterranean area with a single legal act. The former Yugoslav Republic of Macedonia and other participants to the Stabilisation and Association Process from the Western Balkans were invited to join the system of pan-European diagonal cumulation of origin in the Thessaloniki agenda, endorsed by the European Council of June 2003. They were invited to join the Convention by a decision of the Euro-Mediterranean Ministerial Conference of October 2007.
- (4) The Union and the former Yugoslav Republic of Macedonia signed the Convention on 15 June 2011.

¹ OJ L 54, 26.2.2013, p. 4.

- (5) The Union and the former Yugoslav Republic of Macedonia deposited their instruments of acceptance with the depositary of the Convention on 26 March 2012 and 14 June 2012, respectively. Consequently, in application of Article 10(3) of the Convention, the Convention entered into force in relation to the European Union and the former Yugoslav Republic of Macedonia on 1 May 2012 and on 1 August 2012, respectively.
- (6) Where the transition towards the Convention is not simultaneous for all contracting parties to the Convention within the cumulation zone, it should not lead to any less favourable situation than previously under Protocol 4.
- (7) Protocol 4 should therefore be replaced by a new protocol making reference to the Convention,

HAS ADOPTED THIS DECISION:

Article 1

Protocol 4 to the Stabilisation and Association Agreement between the European Communities and their Member States, of the one part, and the former Yugoslav Republic of Macedonia, of the other part, concerning the definition of the concept of 'originating products' and methods of administrative cooperation shall be replaced by the text set out in the Annex to this Decision.
