TELECOM 316

NOTE

from:	Greek Delegation
to:	Council
Subject:	Work programme of the incoming Presidency - Information from the Greek delegation

In view of the incoming Greek Presidency, the Telecommunications Council will be informed of the priorities under the heading “Europe is our Common Quest and Journey – United we sail”.

The Greek Presidency intends to focus its work on the legislative proposal on the Regulation on electronic identification and trust services and the proposal on reducing the costs of broadband deployment. Other proposals to be progressed include the Directive on network and information security together with the proposed Regulation laying down measures to achieve a Connected Continent. Other important files such as the Directive on the accessibility of public sector bodies’ websites will also be part of the work programme.

These priorities set by the Greek Presidency will be reflected in the agenda of the TTE Council scheduled on 6 June 2014.
