Subject: Measures in support of investment
- council conclusions

In the document ST 14334/14 INIT on page 2, point 2:

For: 2. SHARES the concerns on the decline of public and private investment in the EU since the onset of the financial crisis and STRESSES that it may be attributed to many different factors, including insufficient aggregate demand in some Member States, overall macroeconomic uncertainty, low capacity utilisation, public and private sector deleveraging – the latter in the context of stricter regulation on financial institutions, institutional bottlenecks, and structural impediments to investment, job and growth.
