“I” ITEM NOTE

From: The Council Security Committee
To: COREPER
Subject: Forwarding to the European Parliament Secretariat of a technical report on the visit of the GSC Security Office

1. On 1 April 2014, the interinstitutional agreement between the European Parliament and the Council concerning the forwarding to and handling by the European Parliament of classified information held by the Council on matters other than those in the area of the common foreign and security policy (non-CFSP IIA) entered into force (OJ C 95, 01.04.2014, p. 1).
2. On 6 September 2013, GSC Security Office experts conducted a technical visit to the European Parliament premises, in order to provide the Council with the necessary information to enable it to make a determination that equivalence has been established in accordance with Article 8(3) of the non-CFSP IIA. The report of that visit is contained in document 13538/13 RESTREINT UE/EU RESTRICTED. The GSC forwarded to the European Parliament the technical recommendations contained in that report (which were unclassified).
3. The Council Security Committee agreed on 31 October that the full report on the technical visit to the European Parliament premises be forwarded to the relevant services of the European Parliament Secretariat.
4. COREPER is accordingly invited to approve the forwarding to the European Parliament Secretariat of the report on the technical visit of the GSC Security Office to the European Parliament, contained in document 13538/13 RESTREINT UE/EU RESTRICTED.
