#### **d) Detailed grounds for the transfer**

In the proposal for Decision [COM (2014) 699], the Commission concluded that the conditions for a financial contribution from the EGF to application EGF/2013/006 PL/Fiat Auto Poland, submitted by the Polish authorities, are met.

The amount of EUR 1 259 610 requested by the Polish authorities will contribute to the costs of a coordinated package of eligible personalised services for 777 targeted beneficiaries following redundancies in Fiat Auto Poland and 21 of its suppliers in Poland, with the aim of providing assistance for re-integrating the affected persons into the labour market.

The redundancies were caused by major structural changes in world trade patterns due to globalisation.
