Subject: Commission Delegated Directive ../.../EU of 31.10.2014 amending Annex III to Directive 2014/32/EU, as regards the flowrate range of water meters
- Intention not to raise objections to a delegated act

1. The Commission has submitted the above delegated act to the Council in accordance with the procedure set out in Article 290 TFEU. The delegated act is based on Article 47 of Directive 2014/32/EU.¹ The Commission having notified the delegated act to the Council on 31 October 2014, the Council has until 31 December 2014 to object to it.
2. Using an electronic information procedure, the Working Party on Technical Harmonisation has examined the delegated act and agreed by **27 November 2014** that there are no grounds for the Council to object to it.

¹ OJ L 96, 29 March 2014, p. 149.

3. It is therefore suggested that the Permanent Representatives Committee recommend that the Council confirm that it has no intention to object the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies, that unless the European Parliament objects to it, the delegated act shall be published and enter into force in accordance with Article 47 of Directive 2014/32/EU.
