"I" ITEM NOTE

From: General Secretariat of the Council
To: Delegations

No. Cion doc.: 5190/14 ATO 3 AGRI 6 COMER 6

Subject: Proposal for a Council Regulation laying down maximum permitted levels of radioactive contamination of food and feed following a nuclear accident or any other case of radiological emergency

1. The Commission forwarded the above proposal to the Council on 10 January 2014, based on Article 31 of the Euratom Treaty, in connection with Article 32 thereof.
2. Following several rounds of examination of the proposal, the Working Party on Atomic Questions on 3 December 2014 confirmed agreement on the text of this Regulation as set out in doc. 15882/14, pending the European Parliament opinion.
3. Coreper is therefore invited to take note of the agreement with a view to finalising the text and having it formally adopted by the Council, once the European Parliament opinion is available.
