Subject: COMMISSION REGULATION (EU) No .../.. of XXX amending Regulation (EC) No 1831/2003 of the European Parliament and of the Council as regards requirements for the placing on the market and conditions of use of additives consisting of preparations (text with EEA relevance)

- *Decision not to oppose the adoption (regulatory procedure with scrutiny)*

1. On 17 November 2014, following the positive opinion of the Commission's Standing Committee on Plants, Animals, Food and Feed (on 20 October 2014), the Commission submitted for scrutiny by the Council and the European Parliament a draft Commission Regulation (EU) No .../.. of XXX amending Regulation (EC) No 1831/2003 of the European Parliament and of the Council as regards requirements for the placing on the market and conditions of use of additives consisting of preparations.
2. The Working Group of Agricultural Counsellors/Attachés considered through an informal written procedure that there are no grounds for the Council to oppose the adoption of the draft Commission Regulation.

3. The Permanent Representatives Committee is therefore invited:

- to confirm the agreement reached by the Working Group, and
 - to ask the Council to confirm, as an "A" item on its agenda, that it is not opposed to the draft measure proposed by the Commission.
