CORRIGENDUM TO COVER NOTE

from: The Employment Committee
to: Permanent Representatives Committee (Part I) / Council EPSCO
Subject: Employment Performance Monitor - December 2013

In the document ST 16845/13 INIT, on page 74, the key employment challenges for MT under point 9 "improving education and training systems" should read:

Early school leavers remain strongly above EU level despite significant positive developments.

The tertiary educational attainment for the age group 30-34 is significantly below EU level but increasing.
