### INFORMATION NOTE

---

From: General Secretariat of the Council  
To: Delegations  
Subject: Update on energy security  
- Information from the Commission

---

Delegations will find attached an information note from the Commission.

## **Update on energy security**

The European Commission adopted on 28 May 2014 a Communication on a European Energy Security Strategy<sup>1</sup> and it will update the TTE-Energy Council on Energy Security.

The Commission presentation will focus in particular on latest developments in the implementation of the winter package agreed between Ukraine and Russia on 30 October last year.
