6. At its sitting on 13 January 2015, the Parliament adopted, at second reading, one amendment to the Council's position at first reading. That amendment reflects the compromise agreement between the three institutions and should therefore be acceptable to the Council. ²
7. The Commission issued its opinion on the European Parliament's amendment on 25 February 2015.
8. The Permanent Representatives Committee is therefore invited to confirm its agreement on this amendment and to suggest that the Council:
 - approve the European Parliament amendment in 5195/15, as set out after legal and linguistic editing in PE-CONS 1/15, as an "A" item at a forthcoming meeting, with the Portuguese and Belgian delegations abstaining;
 - decide to enter the statement set out in the addendum to this note in the minutes of that meeting.

Following approval by the Council of the European Parliament's amendment, the Directive is deemed to have been adopted in the form of the position of the Council at first reading, thus amended, in accordance with Article 294(8)(a) of the TFEU.

After being signed by the President of the European Parliament and the President of the Council, the legislative act will be published in the Official Journal of the European Union.
