| Subject: | Proposal for a Council Decision on the repeal of Council Decision<br>2007/124/EC, Euratom<br>- Adoption |

---

1. On 9 August 2013, the Commission submitted to the Council the above proposal, which aims at repealing Council Decision 2007/124/EC, Euratom establishing for the period 2007 to 2013 the Specific Programme "Prevention, Preparedness and Consequence Management of Terrorism and other Security related risks" as this policy area would receive financial support from the Internal Security Fund under the new multiannual financial framework 2014-2020.
2. On 1 October 2013 the proposal was presented by the Commission to the JHA Counsellors and approved in their consequent meeting on 18 October 2013, subject to the lifting of the three parliamentary reservations regarding its final adoption.

3. The draft decision as contained in doc. 15187/13 JAI 928 ENFOPOL 328 PROCIV 123 CATS 59 CADREFIN 267 (finalised by the legal/linguistic experts) was submitted to COREPER on 13 November 2013 with a view to suggesting to the Council to forward it to the European Parliament for consent as required by the legal basis of the proposal.
  4. Following the decision of the Council of 15 November 2013 the draft decision was forwarded to the European Parliament which provided its consent on 15 January 2014.
  5. Given that three parliamentary reservations entered by Member States regarding the subsequent adoption of the draft decision are now lifted, the Permanent Representatives Committee is invited to suggest to the Council, in part "A" of the agenda of a forthcoming meeting, to adopt the draft decision as contained in doc. 15187/13.
