**Note:** This meeting will cover information classified *CONFIDENTIEL UE/EU CONFIDENTIAL*. In accordance with the Council's Security Regulations and explained more in detail in document 12111/13 REV 1, all delegates present at the discussion of such items must have valid national or EU security clearance to the appropriate level. Please ensure that, if not already forwarded, you ask your NSA to inform the GSC Security Office in advance (security.clearances@consilium.europa.eu or fax +32 2 281 5081, indicating the meeting to be attended) of the level of your national clearance and its expiry date. Delegates not already on the Security Clearances Department's register should submit a copy of their personnel security clearance certificate as issued by their NSAs before the meeting. Exceptionally, delegates may present a copy of their certificate by hand before entering the meeting, but this can cause delays and may therefore have an effect on the overall meeting schedule. Delegates who cannot provide proof of valid security clearance will not be admitted to the discussion of the items concerned.

In addition, delegations are requested to forward to the Council Secretariat, for the attention of the CSC(IA), e-mail: security.csc-ia@consilium.europa.eu, at least 48 hours before the start of the meeting, the following details of their delegates taking part in the discussion of these items: full surname(s), given name, nationality, date of birth and the name of the organisation/institution sending them to the meeting.

Delegates should note that in accordance with the Council's Security Regulations only persons with a need-to-know may be admitted to meetings where classified information is to be discussed. Electronic devices must be switched off during the discussion of *CONFIDENTIEL UE/EU CONFIDENTIAL* items."
