Subject:	GSC Secure telephony system workshop
	Date: 4 and 5 February 2014 at 10:30
	Venue: COUNCIL
	JUSTUS LIPSIUS BUILDING
	Rue de la Loi 175, 1048 BRUSSELS

Dear CSC member,
Dear CCCIS(TECH) member,
Dear CSC (IA) member,

We would like to inform you that the DGA Security of Sensitive CIS will conduct an information session and training on the secure voice device network. In this framework we would like to invite the technical Point of Contact designated in your Member State (according to the GSC request addressed in 6708/2013 and 5348/2013) to attend the workshop to be able to install and operate the equipment and guarantee a smooth operation of the system at the end user level.

The aforementioned workshop is mainly intended for the national technical POCs that will be in charge of the installation, local management of the system and support to the end user . The

Permanent Representations communication/INFOSEC specialists are also welcome to attend.

Delegations are kindly requested to take note that, because of the limited number of seats in the meeting room, the number of participants per MS is limited to three.

The workshop is covered by the Council Decision no. 32/2011 concerning reimbursement of travel expenses.

For your convenience we will organize two identical sessions, scheduled to take place on the 4th and 5th February 2014 in the Justus Lipsius Building. The exact room will be announced in due time. Attached to this meeting document you will find the draft agenda for the upcoming workshop. For an effective organization of the meeting the experts attending the event are requested to forward their names and their choice for one of the two announced dates before 30th January 2014 to the secretariat of the CSC(IA) (security.csc-ia@consilium.europa.eu).

The meeting requires that all participants are cleared at least to the level of CONFIDENTIEL UE/EU CONFIDENTIAL. Please provide your security clearance to the GSC Security Clearance office (security.clearances@consilium.europa.eu) at least 4 days in advance.

Thanking you in advance.

Dirk SCHILDERS,
Director, CIS Directorate
