1. The Commission has submitted the above delegated act¹ to the Council in accordance with the procedure set out in Article 290 TFEU and Article 60 (f) of Regulation (EU) No 305/2011² laying down harmonised conditions for the marketing of construction products and repealing Council Directive 89/106/EE. ² OJ L 88, 4 April 2011, p.5.

2. The Working Party on Technical Harmonisation has examined the delegated act by written procedure and has concluded that there are no grounds for the Council to object to it.
 3. It is therefore suggested that the Permanent Representatives Committee recommend that the Council confirm that it has no intention to object the delegated act and that the Commission and the European Parliament are to be informed thereof. This implies, that unless the European Parliament objects to it, the delegated act shall be published and enter into force in accordance with Article 60 of Regulation (EU) No 305/2011.
